Bet it *hurt*
when they took
the *arms*, huh,
Doc?

Now, you're
just like every-
body else in
the *joint*.

No, Bobby,
you're forgetting
he's a *man of
science*.

He's *not*
like everyone
else...

He's far
superior.

Ha ha ha--

I don't think we've met. Name's--

--I know who you are, Spider-Man!

Good, 'cause I'd hate to thwart your evil deed before we were properly introduced.

What? Falling? I *can't* fall. I'm...

STEP
1

TIP:
SKETCH OUT
ROUGHLY
WHERE THE
ARMS ARE
GOING TO
GO AT THIS
POINT.

Draw the basic
parts of the Doc's
body with lines
and blobs.

STEP
2

Join up the
shapes to form
an outline, and
start adding
the arms.

STEP
3

REMEMBER,
WEB-HEADS,
PRACTICE MAKES
PERFECT! SO KEEP
ON DRAWING!

TIP:
DON'T WORRY
ABOUT
OVERLAPPING
LINES - YOU
CAN ALWAYS
RUB THEM OUT
LATER.

Add details
like the gloves,
glasses, and arm
attachments.

FULLY ARMED

1.

DRAW TWO LINES WITH A CIRCLE ON THE END TO GET THE BASIC SHAPE.

2.

ADD 3 SPIKES TO EACH CIRCLE, LIKE THIS.

3.

FINISH THE DETAIL ON THE SPIKES, AND ADD THE JOIN DETAILS TO THE ARM.

STEP
5

Finally, add some colour, using this picture as a guide!

TIP:
LEAVE SOME WHITE BITS ON THE ARMS TO MAKE THEM LOOK LIKE SHINY METAL!

STEP
4

Go over your final picture with pen.

The Next Morning...

Night of failed
crime fighting?
Check.

Powers
on the fritz?
Check.

Test
I haven't
studied
for?

Priceless.

Would it be too
much to ask for
the bus to *wait*
just *once*?

I guess
Spider-Man will
have to make up
for lost time.

Uh-oh. Note
to self: make
more web fluid.

Must've used it
up last night letting
those bad guys slip
through my fingers.

My powers
seem to be
acting--

SKETCH FEST:

Check it out spider fans! I've managed to corner Electro so you guys can practise sketching him. You'd better make it quick though before he blasts a hole in the page with his bolts!

SAY YOUR PRAYERS, SPIDER FREAK! I'VE GOT A 10,000-VOLT SHOCK WITH YOUR NAME ON IT!

Copy this image of Electro, square by square, into the empty grid below. When you're done, grab your pens and pencils and colour him in!

COLOUR
GUIDE!

DUDE, GIVE ME A BREAK -- THE ONLY THING SHOCKING ABOUT YOU IS YOUR BAD BREATH!

Three days later...

Well spoken, Madam. Sadly, he's no gentleman.

Oh, for crying out loud! Could this week get any worse?

There now, Jameson, I only wish to send a message to Spider-Man.

What makes you think I can help you?

Don't play coy with me. Spider-Man is practically **on staff** at the Bugle. I've seen all those **exclusive photos**.

Listen, Octopus, you've got the wrong idea--

I don't think so. In fact, I think you've been working with Spider-Man all along.

What? Me? I **hate** Spider-Man!

Louder, Jameson. It only **confirms** my **suspensions**.

You'll have to come with me. And you, too, Madam.

Mr. Jame--

Miss Brant, is it? If you'd like to see your boss again, make sure Spider-Man knows to meet me at **Pier 17 at sundown**.

Or else, I'm afraid Jameson here will be taking a **permanent vacation**.

Later...

Hello?

Finally! I've been calling all over for you, Peter.

What's up, Betty?

It's your Aunt May! She and Mr. Jameson have been kidnapped by Dr. Octopus!

What?!

I ran a message for Spider-Man in the late edition but--

Let me guess, no sign of him.

Yeah, how'd you...?

Never mind.

Listen, Peter, you're always taking photos of him...do you think you can find him?

I'll find him, Betty.

I know just where to look.

This is
the *place*
all right.

It has *super-
villain* written
all over it.

Aunt May and
JJ *have* to be
in here *some-
where*.

I've got to
find them and get
them out without
Doc noticing.

What's a guy
gotta *do* to get
his *Spider-Sense*
back?

Hello? Any *arch-fiends* in the building?

Ah, *Spider-Man*! Just in time to meet your *maker*.

Yeah, well, that's me, *punctual*.

And *powerful*. Did I mention that?

You don't want to make me *angry*, Doc.

So just *release* the hostages and we'll call it a night.

Let's not be so *hasty*.

The evening's just beginning.

EYE SPIDEY!

Doc Ock is proving a real handful this time and I'm going to need your help to get out of his clutches!

That tentacled lunatic has faked one of these snaps! Take a look at the photos and see if you can spot **ten** differences between them!

YOU'VE MESSED WITH ME FOR THE LAST TIME, SPIDER-PEST. PREPARE TO BE SQUASHED LIKE THE BUG YOU ARE!

WOAH, TAKE A CHILL PILL DOC! NO NEED TO GET YOUR TENTACLES IN A TWIST!

ANSWERS: Mirror next to Doc's face; colour of Doc's glasses; extra tentacle in top right of picture; earning on Doc; badge on Doc; B ball on Doc's chest; Spider-Man's symbol; Spider-Man's yo-yo; pigeon on left of picture; chewing gum on Spider-Man's shoe.

FROM SAND WEAPONS TO SANDSTORMS - CHECK OUT OUR TOP 5 REASONS WHY TAKING ON THE SANDMAN IS A WHOLE LOT WORSE THAN A BAD DAY AT THE BEACH!

TOP
5

SAND

1 DEADLY WEAPONS

When a nuclear blast ripped through the body of brutal criminal **Flint Marko**, he became bonded with the radioactive sand around him, forming **the Sandman** - a man monster, able to mold his form into any shape imaginable... including **Spidey** smashing weapons!

2 HARD RAIN

The Sandman's mind continues to be in control of his body at all times, no matter how far away it is scattered, so he's able to fire off particles of sand at such a speed that they strike with the force of a vicious hailstorm. And you thought the weather in England was bad!

MAN ATTACKS!

3 ROCK SOLID

The **Sandman** can also alter the density of different parts of his body however he wants. So even the strongest of **Spidey's** punches can pass right through his body, whilst his fists stay rock hard, ready to pound the wall-crawler into next week!

4 QUICKSAND

Having weapons for fists is all well and good, but pesky targets like **Spidey** just won't stand still long enough to use them! No problem for the **Sandman** - he can pin the **web-slinger** down under a torrent of sand to keep him still, or just use the sandy quagmire to suffocate him!

5 SANDSTORM

If all else fails for this oversized kitty-litter filler, he can suffocate and blind his enemies by turning his entire body into a lethal sandstorm, allowing him to escape to fight another day, or disorientating them enough for him to launch another round of beach-based brutality!

What are you talking...

...about?

Look up, you imbeciles! I can't catch them all!

With enemies like these, who needs *super-powers*?

That stinkin' spider!

That wasn't very *sporting* of you, Spider-Man!

And *six to one* is sporting?

I'll try my *luck* with *better odds*.

Meanwhile...

This is all
Spider-Man's
fault!

Luring that
six-armed freak
to my paper and
turning the *Bugle's*
offices into a *play-*
ground for *super-*
villains!

I can't believe the
Octopus thinks I'm
working with that
web-slinging
wacko!

I'll bet he's
been telling
Doc Ock we're
partners.

It's
preposterous!

Mr. Jameson,
I'll tell you what's
preposterous.

We're
trapped in this
room and you've
done nothing but
complain about
Spider-Man.

Now quit
whining and help
me with these
ropes!

Whining?!
I do *not*
whine!

Temper, temper,
Mr. Jameson. We
haven't got time
for *tantrums.*

Meanwhile...

ELECTRO

DANGER!

HIGH VOLTAGE!

Bored with his mundane job as an electrician, Max Dillon craved a more exciting life. His prayers were answered when a bolt of lightning struck the power lines he was busy working on. Somehow the jolt of energy altered his body chemistry and gave him the amazing ability to control electricity.

HUMAN DYNAMO!

Turning his back on his old life, Dillon embraced his new abilities and used them to become a super villain. He renamed himself **ELECTRO** and began a devastating crimespree, using his electrical powers to steal anything he desired!

The electricity flowing through his muscles boosts Electro's strength, making him strong enough to lift over 450 pounds.

He might have a pretty goofy looking costume, but laugh at Electro at your peril! Read on to find out all about this shocking Super Villain!

If someone touches Electro when he's fully charged, they will receive a painful blast of electricity!

Electro can supercharge his blasts by drawing power from nearby machinery.

He can fly through the air by riding upon a wave of electrical energy!

His powers also give him a high voltage shield that can deflect energy blasts!

FIRST APPEARANCE

Sorry for the interruption.

Now, where were we?

I think we were at the part where the *good guy* triumphs over evil.

And in case you were wondering...

CRACK!

...I'm the good guy.

Mind if
I hitch
a ride?

I can't
see!

CRASH!

FWOOSH!

So long,
Vulture. Thanks
for the frequent-
flyer miles.

IT'S NO ACCIDENT THAT THIS AIRBORNE ASSASSIN IS NAMED AFTER ONE OF THE DEADLIEST SCAVENGERS ALIVE. READ ON TO FIND OUT 5 REASONS WHY!

THE

1 VENGEANCE

ADRIAN TOOMES BECAME THE VULTURE WHEN HE USED HIS FLYING HARNESS TO TAKE REVENGE ON A BUSINESS PARTNER WHO BETRAYED HIM. THE SENSE OF POWER THIS GAVE HIM MADE HIM A MERCILESS FIGHTER, HUNTING TO FEED A RAVENOUS APPETITE FOR WEALTH, POWER AND REVENGE.

2 INTELLIGENCE

HE MAY BE PACKING A HEFTY PAIR OF WINGS, BUT THE VULTURE IS ANYTHING BUT BIRD-BRAINED. HE'S INCREDIBLY CUNNING, AND HAS ALSO USED HIS SMARTS TO INVENT AN ELECTRO-MAGNETIC BODY HARNESS THAT ALLOWS HIM TO FLY!

3 SPEED

THE VULTURE'S HARNESS CAN LIFT HIM TO A HEIGHT OF 11,500 FEET, AND PROPEL HIM THROUGH THE AIR AT A TOP SPEED OF 93MPH. SO KEEP YOUR EYES ON THE SKIES, COS THIS BIRD OF PREY COULD STRIKE FROM ANYWHERE, AT ANY TIME!

VULTURE

THE VULTURE'S WING TIPS ARE ALSO RAZOR SHARP, AND CAN EASILY SLICE THROUGH SPIDEY'S WEBBING.

4 AGILITY

HE MAY LOOK LIKE PROFESSOR X'S LONG LOST DAD, BUT THIS FEATHERED FIEND IS NO SLOUCH. HIS IMPRESSIVE WINGS AND NATURAL AGILITY MEAN HE CAN MAKE SEEMINGLY IMPOSSIBLE TWISTS AND TURNS AT BREAKNECK SPEED.

5 STRENGTH

THERE'S MORE TO THIS CROOK THAN SPEED AND AGILITY - THE ANTI-GRAVITY WAVES EMITTED BY THE VULTURE'S FLYING HARNESS ALSO BOOST HIS STRENGTH, MAKING HIM STRONGER THAN AN OLYMPIC WEIGHTLIFTER!

Well, Doc,
it's just the
two of us.

Looks like the
rest of your
friends got
tied up.

Silence,
you *arrogant*
arachnid!

I have
something
special in
store for
you.

Meet your
watery grave,
Spider-Man!

My
goodness!

Finally,
reception. I'm
calling the
police!

THE SINISTER 6 NEED YOU!

Greetings, worms! We're looking for a new member to turn the Sinister Six into the Sinister Seven! Think you're evil enough to join our gang? Take this test to find out!

Whilst walking down the street you spot a kitten stuck up a tree do you?

- A) Keep on walking - you're too mean to care about one little kitten!
- B) Rescue the kitten, find out who owns it and then hold it to ransom!
- C) Help the kitten down, and then spend the afternoon tracking down its owner.

The Sinister Six are babbling Spidey and the wall-crawling weasel has just fired a barrage of webbing at Dr Octopus. Do you...

- A) Dive in front of the webbing to protect Doc Ock!
- B) Leg it! With Spidey's attention on Doc Ock, you can escape with the loot from your latest heist!
- C) Help Spidey take down the rest of the Sinister Six!

Another group of super villains are putting together a gang and want you to join. What do you do?

- A) Tell them no way! You're already a member of the meanest gang around!
- B) Tell them you'll work with them but only if they make you the gang's leader!
- C) Decline their offer, then contact Spidey to warn him about the new gang!

Okay, your first task is to come up with a really nasty plan. What is it?

- A.** Run down the high street in your scary costume terrifying all the shoppers!
- B.** Raid every bank in New York, leaving everyone penny-less except you!
- C.** Organise a fun day and give all the money raised to charity!

Which of these costumes would you like to wear as a member of the Sinister Six?

Uh-oh! The latest plan has failed and now you're being questioned by the police. What do you say to them?

- A.** Don't say a word - soon your fellow villains will be along to bust you out of jail... won't they?
- B.** Nothing! Instead, take the interrogator hostage and make your escape!
- C.** Explain everything - including how you helped capture the Sinister Six!

HOW DID YOU DO?

MOSTLY As...

Excellent! I can see you're just the kind of villain we're looking for. Welcome to the Sinister Seven!

MOSTLY Bs...

Hmm... You're evil enough, but you're a little too clever for your own good - I want a loyal soldier not a rival leader. I'll be keeping a close eye on you...

MOSTLY Cs...

What?! Your ineptitude makes Frog Man look like a criminal genius! Get out of my sight you simpering do-gooder!

Later...

As for you, you public menace, I demand an apology!

How could you go around telling the criminal underbelly that we're in cahoots?!

Is that any way to treat the man who just saved your life?

Please excuse his lack of manners, Spider-Man.

Is it any surprise that he fired my nephew?

You mean this man fired your poor, hardworking nephew?

Tell you what, JJ. You give her nephew his job back and I'll stop the rumors that we're buddy-buddy.

Fine, Parker gets his job back.

And an apology.

Remind me never to get kidnapped with you again...

...Madam.

Across town...

WEB OF COLOUR!

As if dealing with the Sinister Six wasn't bad enough, now Spidey's been trapped by the Green Goblin! Grab your crayons, felt tips or paints and colour in this crazy scene!
